

**WONEWOC-CENTER HIGH SCHOOL  
ALL CLASS REUNION**

Greetings,

We held our last All Class Reunion in August, 2004 and from the feed back it was a great success. Several have indicated that they would like to have another one. A small group of us, over coffee, decided to get the ball rolling for another one. We decided the best way to get information out to all the classes was to pick a contact person from each class. He or she in turn could let the members of their class know the details of the big event. This could be done either by mail, internet, phone or word of mouth. We hope you can help us out by being the contact person for your class. If you are unable to do this, please contact some one else in your class with the information.
