

# PEWAUKEE SCHOLARSHIP FUND, INC.

**You make fabulous futures happen!** Thanks to you, Pewaukee High School graduates are attending technical/trade schools, universities and colleges.

Since its inception in 1968, the Pewaukee Scholarship Fund, Inc. has awarded over \$691,600 in scholarships to more than 680 talented and deserving Pewaukee students. This past spring, **44** graduating seniors from the Class of 2010 received a total of **\$46,600!**

Our goal is to help as many students as possible. Rising college costs and a growing school district make your contribution more critical than ever. Scholarship awards are sent directly to the students' schools to be applied to their tuition fees.

All Pewaukee Scholarship Fund awards are made possible solely through contributions from YOU — as individuals, alumni, community groups and businesses. Every dollar you contribute benefits the children of our Pewaukee community, and assists them with their education beyond high school!

Remember: **your donation is tax deductible.** Please also consider the power of “**Matching Funds**,” through which many companies match their employees' donations. This allows you to **double your donation** without feeling the impact!

To make your donation, simply complete the reply form on the enclosed, postage-paid envelope. For online donations, go to [www.JustGive.org](http://www.JustGive.org), type in Pewaukee Scholarship Fund, Inc., and click on **donate now**. If you would like to see our current named scholarships, please refer to the 2010 Recipients insert in the enclosed brochure. If you would like to create a new memorial or named scholarship, please contact Amy Farrow at 262-691-2100, ext. 3131, or at [farramy@pewaukee.k12.wi.us](mailto:farramy@pewaukee.k12.wi.us).

**This letter is serving as our major fundraiser to provide scholarships for this year's graduating class.**

*We need you to continue to make fabulous futures happen!*

**Thank you for your support!**

Sincerely,

Pewaukee Scholarship Fund, Inc. Board of Directors
