Sarah Gomez Wins Spelling Bee!

In an exciting middle school spelling bee, Sarah Gomez, a 7th grader at Sample School, spelled "phosphorescence" to win the first place prize. Sarah will continue to the district spelling bee in October.

theclasslist keeps you informed

Have you been using theclasslist™ yet? If you have, you already know what a great online program this is. If you haven't, now is the time to go to www.theclasslist.com/sample and find out for yourself what a valuable school communications tool theclasslist™ is.

Check out the Events Calendar, which is always being updated with new school events. All events come with the necessary information, such as the time, location, and directions to the location. If food is on your mind, view the online hot lunch calendar, or print it out so your kids always know what is being served for lunch.

If you haven't read the annual *Sample School Update* yet, you can read it online on theclasslist™. This newsletter will never get lost in your child's backpack, you'll always find the most recent news, and best of all, it can be read anywhere there is an internet connection. Even Grandpa and Grandma from across the country can read it.

theclasslist™ is already a great tool for you, but it can be even better! If your name is in our database, you get the privileges of being a member of theclasslist™. To become a member, please send the school your name and email address. Once we have your email address, you will receive a weekly email keeping you up-to-date on school events. Being a member of theclasslist™ also creates a more efficient line of communication with faculty members. With so many advantages, theclasslist™ is going to be your favorite online site.

Read what members of the school have to say about theclasslist™ on the last page of this bulletin. Everyone's raving about this new program!
